REPUBLIC SPECIAL. Washington, July 15 - The Senators pulled to-day's game from the Browns in the ninth, after a matinee full of squabbling

and tinged with some very yellow fielding on the part of the home team. Seibach was chased in the first for back talk to Umpire O'Loughlin for calling his emash down the right foul line a foul, and Coughlin soon after went to the bench for disputing a close decision at the plate. The umpire had several close decisions to make, but he seemed to do the right thing with

each one, except possibility on Selbach's

McCormick was put into the game to help offset the left-handed pitcher, Patten, but Barry had not recovered his batting eye and fanned twice. Heldrick got two of the four hits, but his three-bagger should have been an easy out for a regular fielder. Orth made a miserable stab at it, although near it. Heldrick's other hit was a bunt that Kittridge and Patten waited to roll foul but it did not. Kahoe and Hill's hits wer-

clean ones.
POWELL PITCHES GOOD. Jack Powell had excellent control and gave but one pass to first. This was intentional for, with second and third bases occupied and only one out, Jack was instructed to let him walk so that a chance for a double play could be made. Kitt-ridge followed with a fly to center which

scored the tying run.
Secretary Hedges sat in the grand stand with his wife and saw a pretty fielding game by his boys, but they are still very shy on hitting the ball to safe spots. Kahoe

shy on hitting the ball to safe spots. Kahoe had eleven put outs and two assists for his share, and his catching was a feature of the Browns' playing, the infield having but little of the work to do.

In the second inning Kahoe placed a double over Martin's head in left, and he moved to third on Hill's out, and scored on Robinson's fumble of Hemphill's smash. Powell forced Hemphill, making the third out. The Browns got two men to first until the sixth, when Heidrick's fly got away from Orth, and the batter reached third before the ball was fielded. McCormick fanned. Wallace walked to Clarke's corner and stole. When Kittridge threw to the base Robinson returned the ball, and Heidrick was called out on a close decision.

HEMPHILL CAUGHT NAPPING.

HEMPHILL CAUGHT NAPPING. In the eighth Hemphill drew a pass; Powell sacrificed, but Hemphill strayed too far from second, and was caught by Kittredge's throw to Moran. Burkett sent a fly to Orth. Buck evidently got tired wait-ing for it, and it slipped through his hands. Heidrick laid down a slow one along the

Heidrick laid down a slow one along the right line.

The battery-watched it roll until Heidrick tanks safe and the ball declined to roll outside. Burkett and Heidrick started on a double steal, but Kittridge's great throw just beat Jesse to third. Moran fumbled McCormick's crack in the ninth, and the shortstop threw wild to first, the ball hitting the Brown coach. Anderson's sacrifice put McCormick on third, but the next two were retired on grounders.

put McCormick on third, but the next two were retired on grounders.

With Lee down in the fifth, Coughlin and Robinson singled and when Robbie stole Coughlin started for home. Wallace, who took Kahoe's throw shot back to the plate and Umpire O'Loughlin waved the runner out. Coughlin bitterly protested and was put out of the game. Kittridge ended the inning with a fly to center. Martin was retired by Heldrick in the seventh, Lee singled to center and Orth doubled. Robinson was passed to first and Kittridge's fly to Heldrick scored Lee. Patten fanned. In the ninth Martin soaked a triple to left center and Lee's smash went to the clubhouse, bringing home the winning runs.

New York, July 15.—Detroit won from the
locals to-day by the score of 7 to 4. The
home team's fielding was slovenly, but, considering the support he received. Wolfe
pitched well until he was relieved by Chesbro in the ninth inning. Mullin was hit frequently, but the ball generally went into
some fielder's hands. The visitors played

JEFFRIES PLANNING CHANGE IN HIS STYLE OF FIGHTING.

Intends to Develop Speed and to Try and Prevent Corbett From Running Up Score of Points.

REPUBLIC SPECIAL San Francisco, July 15.-With the Jeffries-Corbett battle but a month away, both fighters have settled down to hard work. There are no more excursions for Corbett or lion hunts for the champion, and each day the two Californians go through the routine work mapped out by their trainers

with scarcely a break.

Jeffries, when he faces Corbett in August. will be a far different proposition than he was in their last battle, if his plans do anous and put away the dancing Corbett after many ineffectual attempts, will have given place to an up-to-date and clever sparrer, who will be able to land the more of the sort will a yearly fixture of the sort will a yearly fixture of the sort will a company had found the books and accounts all correct, and had expressed himself as satisfied.

He realizes that his only chance in windoes not intend to take any chances of his opporent cinching, dooging and sprinting about the ring for twenty rounds and then bob up for a decision at the finish. To avoid this he proposes to get "speedy" himself and go after the dancingmaster from the start. A told knockout is what Jeffries proposes for Corbett and to enable him to land this he is surrounning himself with fast and clusive sparring partiers.

This dally work includes bouts with the fastest lowers he can secure and his work has already shown great improvement in this respect. The latest advation to Jefflic's speed school is George Dawson, instructor of boxing at the Chicago Athletic Club, and one of the most scientific masters of boxing in the world. Dawson believes that the time has come
for the conqueror of Fitzsimmons to abandon the fighting position which he made famous. For fighting Corbett both Jeffries and
Dawson believe that he can stand up and
fight his opponent without fear of being
laid low by a body punch such as was
feared from the Cornishman.

In other words, Jeffries does not fear the
blows of Corbett and will not fight on his
usual defense plan, but will go out and

LIKE A CURSE REMOVED

Awful skin disease of this woman cured in a few weeks after fifteen years' terrible affliction.

(Case of Mrs. J. M. Daniels of Winchester, Ky,-completely cured by D. D. D. after 7 weeks' application. She had suffered fifteen years.) See the same features-but note how different when brightened with hope and happiness, after her freedom from it all.

Reader! This is more than medicine talk. It is humanity to enlighten suf-The most virulent skin diseases are conquered—every time—in all cases—without any exception—all cleared away in a few weeks—by the brilliantly clever new skin prescription, "D. D. D." Its work is hardly equaled by any other wonders of modern medical practice.

# We guarantee this to be true

WOLFF-WILSON DRUG CO., S. E. Cor. Sixth and Washington Ave., ST. LOUIS, MO. enough has been proven to us regarding the above case and hundreds of others-to demonstrate beyond all question whatever that any of the known

forms of skin disease—any eruption or breaking out—must quickly give way and disappear under the influence of this prescription (known as "D. D. D"). cases of Eczema, Salt Rheum, Ring Worm, Psoriasis, Barber's Itch, Acne, etc., some of twenty years' standing have been cleared off and permanently cured in a few weeks. In several cases from one to three years have elapsed and there has been no returning sign of the disease. Hundreds of cases cured since the preparation has been placed on sale show no sign at all of the previous affliction, and we fully believe they are permanent cures.

WOLFF-WILSON DRUG CO.

Have you been—or do you know anyone who has been—in a living hell of torture with a skin disease? Dispair usually seizes those so afflicted. Many imagine it is in the blood and too subtle to cure. Doctors have stood baffled and helpless against Eczema. Half of them think its worse forms are blood poison. Ninetynine cases out of a hundred of manifestations on the skin are purely local—SKIN disease—not BLOOD disease. Healthy blooded people break out as often as any one, the blood has nothing to do with it in most cases. It is a parasite in the skin that spreads. This prescription is today completely clearing away—quickly too—and permanently curing every trace of such parasitic trouble and leaves the skin soft, healthy and perfect. Call on the above druggists and investigate the unques-

tionable proofs in their possession.

The prescription is sold in above drug store at \$1.00 for a liberal bottle, and comes under authentic label of the D. D. Company of Chicago, who solely compound the prescription for druggists everywhere.
